

Hi all I have made a reservation at Sevillanos on las Huertas for 12.00 on Saturday 25th January. Anyone who wants coffee or drinks on arrival please pay as you order. The format in the past has been that the 41 ers (with spouse if present) set up in different parts of the back of the restaurant and then groups of 3 to 5 students will ask them questions and move around say every 15 minutes. At the end of this the students may want to order a tapa and drink which is good value and good price. In the past the 41 members have been invited to stay for lunch. Anna will advise.

Those attending are:

Alfie and Angela

Peter

Ted and Barbara

Brian and Lesley

Bernard and Jean - possible

Wished you all a great morning,

Michael
